INTRO

Has someone ever pranked you? Do you want revenge? Or just want to prank someone? Well you're reading the right how to. This will teach you 2 hilarious pranks to pull on your friends.

WHAT YOU NEED...

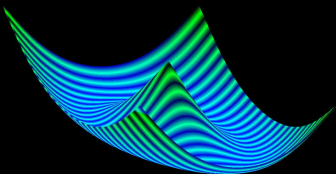

Prank #1

- Soda candy
- Cream color Fuse beads

Prank #2

- Diet coke
- Mentos
- Needle
- Floss

PRANK #1

This is the easiest prank to set up.

- 1) Sort out all the cream colored fuse beads.
- 2) Empty out 1 of the 'sprint' cans
- 3) Put about 12 of the cream colored beads in the empty sprint container
- 4) Give your victim one of the real candys
- 5) Switch cans behind your back
- 6) Offer 1 of the fakes
- 7) Laugh

PRANK #2

1. Open the bottle of coke
2. Thread the floss through the needle
3. Poke needle through the mento
4. Put the mento on the coke top with the floss hanging over both sides
5. Close lid
6. Cut off excess floss
7. Give soda to friend

CONCLUSION

Hopefully, you got revenge! Or just a laugh! Make sure it's safe & that they like the candy/coke before you do it! Have fun & plan ahead! Best wishes!
