

How to Make your Own Ski Ball

By: Morgan Stewart

The Things you Need

- Cardboard (a lot)
- Scissors (at least one pair)
- Construction paper (a lot)
- Tape (preferably duct tape)
- Tennis balls (2)
- Any other decorations you will want (glitter, markers etc.)

Step 1

Materials you will need for this step: Cardboard , Scissors , Construction paper, Tape!

- First make a large box out of cardboard
- Then cover the box in construction paper and tape it on
- Next cut 5 medium sized holes in the top of the box

(In order to do this step neatly put your paper in before you cut the holes in the box)!

Step 2

Materials you will need for this step: Cardboard, Scissors, Construction paper(optional)

- First take about 3 panels of cardboard and make them flat
- Next tape 2 of them together and keep the other separate
- Then tape the last one on top of your other panels but at a slight angle

(Make sure to slant your ramp at least half the height of your pointer finger)

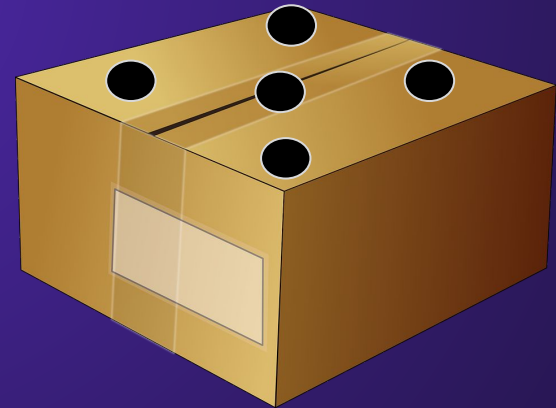

Step 3

Materials you will need in this step: Your box with holes,
Your ramp, Tape

- First You need to measure the width of your ramp with your tape
- Then put about half of the piece of tape (wide) on your ramp
- Then the other half on the box with holes

(Be sure to keep the ramp at a slant not flat at the level at the top of your box)

Step 4

Materials you will need for this step: A flat cardboard box and tape

- First cut the flat box to the same width as the bottom of the ramp
- Then tape the little box underneath the bottom of the ramp like a little platform

After this step you are done with your skeeball game

Now for Some Entertainment TIPS

- Listen to your favorite song as you play
- Have little prizes you can win
- Challenge your friends and family
- Decorate your game and make it a little more appealing to the eye! (glitter, sequins, ribbon)
